Making your work easy

Splice wire grippers

Model	APT250	APT500	APT1000
Capacity	245N(25Kg)	490N(50Kg)	980N(100Kg)
Speed (for all models)	-50 (25-50mm/min)		
	-100 (50-100mm/min)		
	-200 (100-200mm/min)		
Pull stroke	48mm		
Resolution	0.1N		
Measurement units	N / Kg / lb		
Power supply	100 - 240 VAC		
Power consumption	19.2 Watts		
Data output	RS232C communication		
Dimensions	W180 X D285 X H170		
Weight	Approx. 11Kg		

- Standard APT1000 pull tester with Ultrasonic Splice kit
- Peel & Standard pull test
- Simple to operate
- No variation from user to user
- Interfaces with MPN
